None of the files put up clearly explains what became of the 5th man who was attached to the Sadr when Col. Mc Cann Capl. Service from the office note on page 8 of file no 144 of 1908-09 it is rather feebly made out - that out of the Dunbar Surgery Menial Establishment - only 4 men were then available. The fifth man being also a supernumerary may perhaps have been absorbed and as such non available. This point is not clear from the files put up If this is considered necessary the file will be returned to Headquarters and the point cleared up.

PRIVATE SECRETARY MYSORE

The Palace, Mysore,
4th June 1912.

My dear Sir,

Major Foulkes the New Durbar Surgeon has arrived in Mysore and he requires an establishment of peons. His Highness believes that former Durbar Physicians were allowed one Duffadar, and three orderly peons by Government and he would like a similar establishment to be sanctioned for Major Foulkes without delay. Major Foulkes requires these men at once and His Highness asks me to request you to kindly send him at once the necessary men from one of the Government establishments. I need hardly say that they should be active men of good character. His Highness will be obliged if you will treat this matter as very urgent.

Yours sincerely,

Rulandaraj

T. Ananda Row Esq., C.I.E.,
Dewan of Mysore, Mysore.
